## Prayer letter – January 2023

Thank you for supporting Godstuff by praying for us.

Please give thanks for:

- Our new website created by Becky Ward: [www.godstuff.org.uk](http://www.godstuff.org.uk)

### Fylingthorpe Youth Holiday

This year we are running the Fylingthorpe Youth Holiday for 14-18 year olds from July 30 to August 6. Please pray for:

- Recruiting young people
  - Our links with Spurgeons charity who arrange for a group of young carers to attend every year
  - That previous members would respond to letters and emails
  - New members from link churches and organisations as well as personal contacts
  - Our new arrangements for booking and finance as we run the holiday under the Godstuff umbrella for the first time
- Recruiting new team
  - We need some new team members – we are particularly short of younger (and possibly more energetic) team members
  - The team First Aid course on 28 February
  - Team preparation and planning day on 22 April
- Admin and finance
  - For Ruth Hassall as she organises applications and so on
  - For the money we need to enable a large proportion of our members and some team who are unable to pay full fees to attend

### Training and other events

- 'Fruit' training day being planned for Scargill Retreat House
- Quiet days being planned at the home of Bob and Ann Clucas

### Trustees

- Changes planned in the trustees to ensure that the Fylingthorpe holiday is accountable and well supervised
- A volunteer trustee to support us by doing annual financial and legal paperwork
- Updating and renewing policies – not a fun job but really important if we are to run the charity in a way that brings honour to God and care properly for all those we come to contact with
